A NEW-ENGLAND TALE (PENGUIN CLASSICS) BY CATHARINE MARIA SEDGWICK PDF

Jane Elton, orphaned as a young girl, goes to live with her aunt Mrs. Wilson, a selfish and overbearing woman who practices a repressive Calvinism. In their rural New England village, Jane grows up yearning to break free from Mrs. Wilson's tyranny and find her place as a citizen of the evolving American Republic. She is helped by her encounters with characters who embody various shadings of moral, religious, and civic virtue: the affectionate servant Mary Hull, a pious Methodist; Mr. Lloyd, a kind Quaker; Crazy Bet, emotional, sympathetic, but deeply unstable; and Old John, bereaved but wise. Ultimately, *A New-England Tale* is about the connection between parenting and governing, and the key role women play in shaping a fledgling nation.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

interesting early American perspective, strong female character, insightful american social history

By Edward S.

I had to read this for a University English class concerning early American literature. I don't remember a

great deal about the specifics of this book, as I was preoccupied in those days **NEVERTHELESS!** I remember certain scenes that were really very interesting and unexpected to find from an early American novel.

This was written by a woman, and her perspective, and the early American world of the new England town the characters live in, was definitely interesting at points, even compelling sometimes, and I was around 20 years old.

There is a thoughtful, sometimes philosophical, and somewhat pedagogical tone to the adventures of the women and men of this young but not always dull American expose.

0 of 0 people found the following review helpful.

Surprisingly contemporary

By Leslie Soule

I found this text to be thoroughly readable - like it might very well have been written by a modern-day author.

1 of 2 people found the following review helpful.

Five Stars

By Carolyn R.

I got because it was written by my G-G-Great Aunt Catharine Maria Sedgwick.
