Amazon.com Review

Everyone in town thinks Meg is volatile and dull-witted and that her younger brother Charles Wallace is dumb. People are also saying that their father has run off and left their brilliant scientist mother. Spurred on by these rumors, Meg and Charles Wallace, along with their new friend Calvin, embark on a perilous quest through space to find their father. In doing so they must travel behind the shadow of an evil power that is darkening the cosmos, one planet at a time.

Young people who have trouble finding their place in the world will connect with the "misfit" characters in this provocative story. This is no superhero tale, nor is it science fiction, although it shares elements of both. The travelers must rely on their individual and collective strengths, delving deep into their characters to find answers.

A classic since 1962, Madeleine L'Engle's A Wrinkle in Time is sophisticated in concept yet warm in tone, with mystery and love coursing through its pages. Meg's shattering yet ultimately freeing discovery that her father is not omnipotent provides a satisfying coming-of-age element. Readers will feel a sense of power as they travel with these three children, challenging concepts of time, space, and the power of good over evil. (Ages 9 to 12)

Review

“A Wrinkle in Time is one of my favorite books of all time. I've read it so often, I know it by heart. Meg Murry was my hero growing up. I wanted glasses and braces and my parents to stick me in an attic bedroom. And I so wanted to save Charles Wallace from IT.” ?Meg Cabot

“A book that every young person should read, a book that provides a road map for seeking knowledge and compassion even at the worst of times, a book to make the world a better place.” ?Cory Doctorow

“An exhilarating experience.” ?Kirkus Reviews

“This imaginative book will be read for a long time into the future.” ?Children's Literature

From the Publisher

1998 marks the 35th anniversary of *A Wrinkle in Time* by Madeleine L'Engle. To celebrate, Bantam Doubleday Dell is publishing two wonderful new editions of L'Engle's Time Quartet, including *A Wrinkle in Time*; *A Wind in The Door*; *A Swiftly Tilting Planet*; and *Many Waters*.

A WRINKLE IN TIME (A WRINKLE IN TIME QUINTET) BY MADELEINE L'ENGLE PDF

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, soon to be a major motion picture.

It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger.

"Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract."

A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in *The Time Quintet*, which consists of *A Wrinkle in Time*, *A Wind in the Door*, *A Swiftly Tilting Planet*, *Many Waters*, and *An Acceptable Time*.

A Wrinkle in Time is soon to be a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling.

This title has Common Core connections.

I really enjoyed this book

By Becki

I really enjoyed this book. I read this as a child, but I do not remember it, so returning to it as an adult was fun. I enjoyed the themes and messages of love, and the quirkiness of the characters. They aren't your typical hero- types, but some of the behind the scenes blend-into-the-background types. I think this would be a great book for kids and teachers to use. Obviously a classic.

2 of 2 people found the following review helpful.

Madeleine l'Engle is a wonderful story tell with such great understanding acceptance of others

By Marie

I read it again before giving it as a gift. Madeleine l'Engle is a wonderful story tell with such great understanding acceptance of others, not like you or me.

A Wonderful Read or Listen

By Sam J.

This is an amazing book even 50 years after publication. As happens with a really great book, it is as relevant and thoughtful today as it was the year it was published. I sent this audio version to my grandchildren to listen to in the car and they tell me they are enjoying it very much.
