They rarely spoke. They only touched hands. Until now.

Bernice Rowe has been fascinated by the man who regularly visits the library where she works. They never speak and only stare at each other. When she learns that her mystery man is one of the dominant men at Club Kink, she makes a choice to become a submissive.

Master Leon has been visiting the library for one reason—Bernice. He wants her desperately but knows his desires are not for everyone. When Leon finds her at the club he makes sure everyone knows she is his submissive.

He takes her away and starts her training. Leon is determined to make her his woman in time for Christmas. Neither know how the other feels, and it looks like it is going to be a Christmas to remember for both of them.

BDSM story that is sweet, cute and a perfect holiday read

By The Romance Reviews

If someone told you there's a BDSM story that is sweet, cute and a perfect holiday read, would you believe it? No? Well, grab this book and let it change your mind! Because BOUND FOR CHRISTMAS is all that and more.

I wish I could give this book a higher rating. I liked it, but I have to say I did not love it. The writing could have been smoother, and it felt a bit rushed at some points. If the story were longer, it wouldn't lack the development I missed here. Another thing that bothered me a bit is that they committed to each other rather too soon. Other readers might not agree, but I feel that a slower pace, when it comes to declarations of love and marriage proposals, is much more realistic.

Overall, I really enjoyed reading this story. Bernice is a bit shy and clumsy, but she is a great, loving girl. Leon is playful, attentive, considerate, kind man - and a great Dom. They managed to create a Christmas miracle together, and find love, sense of belonging, and home - in each other.

Warning: this story contains public exhibition, spanking, sex toys and BDSM practice some readers may find objectionable.
