COMPLEX TRIGGERS (CLUB RACK AND RUIN BOOK 3) BY AMY VALENTI PDF

Book 3 in the Club Rack and Ruin series. Each book is a standalone and can be read out of sequence.

Tamara is a sub with a problem. All the submissives in the erotic novels she reads, and a few of the real-life subs she knows, seem to be able to orgasm on command...but she can't even make herself come with someone else in the room. Worse, her last couple of play partners have been disappointed with her inability to perform in the bedroom. How will she ever find the Dom she craves?

Evan is new to the area, and upon his first visit to Rack and Ruin, Tamara catches his eye. Every relationship he's been in has crashed and burned because of his mistakes, but something about this sweet, damaged submissive compels him to try again.

They've both suffered in the past, but when unexpected news shakes Evan's world to its foundations, Tamara must decide if the love she's found is worth facing a fresh onslaught of hurt...

5 stars for a hot read!

By Synn

Tamara and Evan

Tamara has a secret shes been hiding from her Dominants. Could Evan be the Dom she can open up to? Can he help her with her secret or is she doomed to carry the burden with her through the rest of her miserable life? Whats her secret? Im not telling. Read the book to find out. Does he help her? Again.. read the book. Trust me. Its hot as hell and you will devour it and beg for more. I really do recommend you read the other Club Rack and Ruin books before this one but if you have read this one first then you know you need to go back and read the others. You wont regret it! Awesome job as always Amy!

Club Rack n Rein is a place one most visit.. Amy's characters speak to you in away one just have to experience.

By Cassie Wiley

ok I fell in love Amy's Club Rack n Rein series from the start. I am very vocal about my love for Josh and Lena. Now Josh's friend Evan and Lena's former subTamara hold a close second. Tamara holds a secret so

close that not one of her friends knows. she has a hang up and can only orgasm by herself. she misses that connection and the few doms she has had have been cruel. She meets Evan Josh's dom friend whom moved to town. he sees something in her and they begin a much needed relationship for them both, but Evan hold his on secret. Can they survive each others past or will they crumble? its an emotional read but it can heal ones soul..

SHE DOES IT AGAIN!! GREAT TITLE, GREAT BOOK, GREAT SERIES!!

By Gilda

I have always been a great fan of AMY VALENTI's work and was thrilled to read Complex Triggers about Tamara and Evan. Each character comes into the story loaded with baggage that they do not want to share. He is new to the scene, she is a somewhat familiar character. I, being unfamiliar with this series- Club Rack and Ruin, met everyone for the first time. Evan is a Dom unlike any other. Tamara, is a sweet, gentle student working on her Master's Degree who has been through a series of bad Doms who didn't know how to handle her delicate situation. Evan chooses to pretend his serious issues are in the past until they are front and center. That's all the spoilers I'm giving. This book is a stand-alone and I devoured it as I've always done Ms Valenti's books.

I received an Advanced Reader Copy from the Author in exchange for an honest,experienced review of which I think I have done. I totally enjoyed the characters and subject matter which were very realistic and true to life. It's good to read about a common problem and its resolution. I am a sucker for a HEA.
