This is a brilliant play, written by a dark

By Bret

This is a brilliant play, written by a dark, clever playwright. This moment in time for two lost, desperate, crazed souls will capture your attention and hold it. I wish there were more to read about Danny and Roberta.

Danny and the Deep Blue Sea

By Gina Ewing

In this time of politically correct language and the sexes being afraid to speak for fear of being accused of sexual harrassment, Danny and the Deep Blue Sea is crudely refreshing, if not humbling. Danny and Roberta are the kinds of people that the BMW and Lexus set pass, with out the slightest awareness of the lives some people lead. Danny and Roberta both struggle with their demons and on this one night, in which the play takes place, they hold an emotional exorsism. Both emotionally handicaped, both blunt, almost vulgar in their use of the english language, find each other and begin to heal the wounds...in their own way. For one night, a porch light becomes the moon, two people beyond innocence become innocent again, and both find a few hours of unconditional love. J. Shanley doesn't make Danny and Roberta overnight, insightful psychologist. He lets them use their insticts,---guts. They touch each other because they are not fancy people. They are simple and the answers to their healing are simple.

One of my all-time favorite plays!

By Drama Mama

I love this play. It's a wonderful showcase piece for actors as well since it only has two characters. It's raw,

brutal, funny, sweet and both characters are wonderfully flawed and lovable in their unique ways. As with all John Patrick Shanley plays, the characters are richly full of "stuff" that makes actors want to play them.
