DARK MAGICK (SWEEP SERIES, BOOK 4)(LIBRARY EDITION) BY CATE TIERNAN PDF

Dark Magick is the fourth book in Cate Tiernan's wildly popular young adult fantasy 'Sweep' series.

Morgan Rowlands loves Cal Blaire. He taught her about Wicca and helped her find out who she is. But now they share a secret. A terrible, dark secret that binds them together, even as it tears them apart.

Evil forces are after Morgan--forces connected with a dark wave of magick. And she knows something is wrong with the way Cal is acting, though she can't put her finger on it. Cal is definitely hiding something, but is he out to hurt her, as Hunter says?

Morgan doesn't know Cal anymore. She doesn't even know herself. And she doesn't know who or what to trust--except her magick.

The thrilling fourth book in the Sweep series.

By Rebecca Herman

Morgan has always trusted Cal completely. After all, he's her soulmate, her one true love, isn't he? But in his

defense, she may have killed a man - Hunter, who had told Morgan that Cal practiced dark magick and was using her to accomplish his goals. Cal tells Morgan that she did the right thing, but she is beginning to believe that her trust in him may be misplaced. Sky, Hunter's cousin, accuses Morgan of helping Cal and his mother to fulfill their evil plans. And when Hunter turns up alive, and confronts Morgan, she begins to question everything Cal has ever told her. Morgan wants to believe Cal, but how can she ignore the magickal feelings she's getting, feelings that tell her to stay as far away from Cal as possible? I was shocked by the many unexpected plot twists and the startling revelations in this book. I can't wait to read the next book in this thrilling series.

Dark Magick

By A Customer

I have really enjoyed reading the sweep series by Cate Tiernan. I could hardly wait to get my hands on Dark Magick...and it was worth the wait. I thought the book was a great page turner, and I could not put it down because I had to know what would happen next! I hated the story ended too soon, and I hope there will be a next installment. Morgan is a great character who has to learn to trust herself, instead of relying so much on Cal. Without spoiling the ending, I can't wait to find out what happens next with Cal and Morgan and Hunter, especially. Hopefully, Morgan and Bree will become friends again and Morgan will continue on the right path to use her gifts for good, instead of evil.

Keep your friends close, and your enemies closer...

By A Customer

Hunter had tried to hurt Cal. He had tried to take him into the council. Cal had used magick against Morgan. He had restrained her from interfering. Morgan doesn't know who to trust... except Cal. But even that trust is wavering, even though they are muirn beatha dans...right? Now things are happening. Hunter is dead. Morgan and Cal did it, even though it was in self-defense. Morgan must rely on her magick and her mother's Book of Shadows as she tries to get more knowledge in magick. As she goes to Practikal Magick, she discovers Hunter isn't dead, and she must trust him more than she trusts Cal. And the truth comes out, but is it what Morgan wants to know? Is Cal really using her? Tricking her for his mothers sake and to get her magick in a game where nothing matters but power? And is the circle, Kithic, the one Bree is in and being led by Sky really evil?

I think they have two different versions of this cover, cause mine has only one face on it and the cover for awakening has this cover, too. But the writing says dark magick, so I don't know.
