EMBATTLED HOME (LOST AND FOUND BOOK 3) BY J.M. MADDEN PDF

His Marine training taught him that failure is never an option regardless of circumstances. That certainly applies to Chad's need to stop Lost and Found's deranged client from using the information he gathered to stalk and abuse his ex. Falling in love with the broken woman and her sweet daughter in the middle of rescuing them is definitely not the best timing. But it's also inevitable. In Book 3 of this heart-warming military romance series, Chad will discover that protecting Lora is a much easier task than proving he's the one man she can finally trust with her heart.

Weeks of no incriminating evidence should have clued him in sooner about who was the real victim. Now Chad Lowell is wracked with guilt after the woman he's assigned to investigate is attacked by her abusive ex-husband right under his nose. Lora and her little girl are in incredible danger, and he vows to protect them at all costs, whether the angry and hurt woman wants him to or not. His Marine training makes the protecting part easy, but nothing he does seems to make Lora want to take a chance on him or his love.

Lora O'Neil left a life of abuse to make a new start for herself and her daughter. When her ex hires Lost and Found Investigative Service to track her down, she's left reeling both physically and emotionally. The private detective that had been watching her for the past couple of months did finally come to her rescue, but does that mean she should now trust him to help her turn their lives around? The sexy former Marine makes her body feel things she thought she'd never feel for a man again, but she just can't imagine what it would take for her to heal enough to ever say yes.

Pure Perfection

By MJSanders1021

OMG, okay I would say this has becoming my favorite story. Chad was a sweetheart. He and Lora both had demons but what stole the heart for me was the fact that Chad waited for Lora to come to terms with her demons to open up to him. They shared one of the HOTTEST "non-sex" scene I have ever read.

If you are expecting the traditional LNF story this is not it but the depth of the storyline and the support of sub characters will draw you in and keep you wanting more.

BEAUTIFULLY WRITTEN ROMANCE

By Reader

Chad Lowell ex marine works for the Lost and Found agency, for the past few months he's been assigned to watch Lora O'Neil. The agency has been hired by her ex husband who needs proof that she's a bad mother to their daughter. But things are not what they seem. All becomes clear when Chad has to rescue Lora.

Like a lot of fans of this series I've been waiting for Chad's story. But it was certainly well worth the wait. Everything about this is just right, it's not often I read a book that is so satisfying. The characters are very well written, in particular I loved Chad he's one of the best heroes to grace the pages of any romance I've read. He and Lora together were a perfect match, Lora has not had things easy she's wary of men altogether and to start with she resented Chad and was not shy in letting him know. But Chad can see beneath her hurt and knows just how to approach her. It was their relationship that made this book so special. The author has the real knack of putting across all the emotion and passion to the reader. The rest of the story wasn't too shabby either. I hope the next book won't be too long in coming.

PTSD in our home life with a romance twist

By Elaine Wingert

I know my title is weird but PTSD isn't just found in military situations. It happens in our own homes. This story touched a reality in my life which made it bring hope to the hopeless. This story is full of intrigue, suspense, mystery, love, and hope. I loved this story. No matter what we deal with in life we can overcome and we will find success and true good love. Military hero's who deal with injuries to wife's dealing with abusive situations PTSD all win if we fight and have courage to push through to the prize. I highly recommend.
