You could start to love likewise reviewing up until the end of the book Evil Spy School By Stuart Gibbs.

On top of that, we will discuss you guide Evil Spy School By Stuart Gibbs in soft data forms. It will certainly not interrupt you making heavy of you bag. You need only computer system tool or gizmo. The web link that our company offer in this website is readily available to click then download this Evil Spy School By Stuart Gibbs You understand, having soft file of a book Evil Spy School By Stuart Gibbs to be in your gadget could make alleviate the viewers. So by doing this, be a great visitor now!

EVIL SPY SCHOOL BY STUART GIBBS PDF

When Ben gets kicked out of the CIA's spy school, he enrolls with the enemy. From New York Times bestselling author, Stuart Gibbs, this companion to the Edgar Award-nominated *Spy School* and *Spy Camp* is rife with action, adventure, and espionage.

During a spy school game of Capture the Flag, twelve-year-old Ben Ripley somehow accidentally shoots a live mortar into the principal's office—and immediately gets himself expelled. Not long after going back to the boring old real world, Ben gets recruited by evil crime organization SPYDER.

And he accepts.

As a new student in SPYDER's evil spy school, which trains kids to become bad guys with classes like Counter Counterespionage and Laying Low 101, Ben does some secret spying of his own. He's acting as unofficial undercover agent, and it becomes quickly apparent that SPYDER is planning something very big—and very evil.

Ben can tell he's a key part of the plan, but he's not quite sure what the plan is. Can Ben figure out what SPYDER is up to—and get word to the good guys without getting caught—before it's too late?

Super fun wish fulfillment

By Ryan J Slattery

I will always buy the next installment of this series, and this is an excellent example of the reason why.

The reason? These books are just so much fun!

I mean who wouldn't want to be a spy at the age of 13? Then to go undercover and work for the bad guys? Beat up bullies at middle school with martial arts training? So much wish-fulfillment, you can't not have fun with it.

And that's where this book does right where the last book misfired a little for me. This book is all about Ben Ripley. He's the main character from start to finish, and he's awesome. Spy Camp, in my opinion, placed him strangely as the first-person narrator of another person's story (Erika Hale). But this one is near perfect.

With a new location at "Evil Spy School" we get to meet some new characters. Ashley and Nefarious were great additions and I loved them both. They had good backstories, although one of them felt a little flat.

The book had great suspense, which was easy given that most of it is a giant undercover plot with the fear of always getting caught.

And that's actually where things went a little south for me. This is the reason for 4 instead of 5 stars...

[SPOILERS AHEAD]

The part where Ben gets uncovered as a double-agent doesn't feel right. There is no way he should have been able to escape that situation. If the bad guys rigged the elaborate trap just for him, you'd have expected they would've also rigged a more idiot-proof way of catching him. It took me out of the story a bit.

That nit-pic aside, I loved all the extras added to the end. It was a great way to round out the book.

I'm already eagerly awaiting the next in the series.

An exciting read

By joanne

I purchased this book for my grandson because he had read other books in this series, wanted to read this one, but couldn't find it in the library. We read it together, and I enjoyed it as much as he did.

Good book

By Rangerkern

This is a good book. I will admit I feel sorry for the main character. I would recommend this book for all ages. My younger cousin really enjoyed it.
