Always and Forever.

By B's Reads

This was an outstanding story. Nic, a Marine colonel, is deployed to Afghanistan for a special assignment. When she is gravely injured by an explosion, her wife Claire comes to be with her. Can their marriage survive this when Nic pushes her away? This was a great story. The author obviously did a great deal of research for this one. Could feel the grit and heat of the desert as well as the warmth of the love the two main characters shared. Another winner from Isabella! I haven't read Always Faithful yet, so I can attest that this one stands on its own.

A real page turner

By jeepsteeler

A great follow up from Always Faithful. The story continues with Nic and Claire. In beautiful Monterey just

3 years later. Everything seems to be going just fine. Until Nic is given orders to go to Afghanistan. There is also humor since Jordan makes a return appearance. If you loved Always Faithful than you will love Forever Faithful.
