It's so simple and so fats, isn't it? You must prefer to this way.

HIVE - THE BOARDLESS BOARD GAME: TACTICS AND STRATEGIES BY STEVE DEE PDF

Hive is a board game with a difference - it does not have a board. If you enjoy strategy games like chess (and so long as you do not have an irrational fear of creepy crawlies), Hive could be the game for you.

In this book, Hive addict Steve Dee will introduce you to the game and give you some tips on how to become a good player. You will find out about pinning and pin releases, blocking, circling, piece selection, openings, deciding whether to attack or defend, controlling placement, how to use the pieces most effectively (including beetle attacks, and the new expansion pieces), playing defensively, and common mistakes to avoid.

"I like the book, it does do a good job in introducing the game and has some good elements of tactics."

~ John Yianni, inventor of Hive.

Mum's the word

By Jo Bolton

My teenage son used to beat me at Hive every time. I got fed up with his gloating so I secretly bought and read this book and now I beat him consistently. He has no idea how this has happened. Ha Ha! I just hope he does not find where I have hidden it.

Fantastic book for beginners and intermediate players - very readable - funny and witty

By S. Advani

The thing that struck me most about this book was that it is a really enjoyable read. Unlike regular instructional books, the author has actually made a point of making it fun. Some of his witty anecdotes had me suppressing giggles on the subway. Lots of info and strategies with good simple diagrams, all packed into a book that will fit in my Hive Pocket pouch (a tight squeeze but it goes in, just) so I can keep it handy. Great Value for money too. Includes strategies for the new pillbug expansion.

An excellent and affordable introduction

By Amazon Customer

This is a great introduction to a great game - I highly recommend it for a beginner or an occasional player. It is quite a short book but there are a lot of strategies in there that I had not come across before.
