Great book I just wish chemistry was easier!

By KW

Required book for my Chem 110 class but it's very thorough and I recommend the student solution manual if you plan on doing the review questions at the end of each chapter it shows you how to work out the problems if you get stuck.

Loving the rental

By Jeremy Geis

Great to rent on iPad Kindle app. Use it everyday for class, but don't have to lug around a huge book.
