Excellent aqeeda (belief system) book vol 1

By Brett

For anyone muslim who bought this with the intention of learning his religion I can only say that from what I've read in the first volume, the aqeeda (belief system) is on point. However, I researched further into Sheikh Ashqar and it seems he had some ties with Ikhwaan Muslimeen in Egypt. For anyone looking to attach themselves to the Salafi Dawah this causes a problem because all of the modern day scholars have spoken out against Ikhwaan Muslimeen because they promote rebelling against the ruler and are proponents of Sayd Qutb, who is also another person spoke. Out against due to his straying from the path of the Sunnah. So be on guard if you choose to read this series. It is written very well and the Sheikh brings a softer, deeper writing style than some of the other creed books out there that sometimes come across too much like a text book. If I had to recommend a book on creed and belief I would recommend Foundations of the Sunnah by Ahmed ibn Hanbal and published by Salafi Publications for a concise to the point understanding of belief and creed of one of the 4 Great Imams.

I LOVE THIS COLLECTION

By 5STAR CHICK

I LOVE THIS COLLECTION, TOO BAD I'M PREGNANT AND DON'T HAVE ATTENTION SPAN TO READ AT THE MOMENT. GOD WILLING I WILL BE ABLE TO GET THROUGH EACH BOOK... EVEN IF IT TAKES ME A FEW YEARS.
