LANGUAGE FILES: MATERIALS FOR AN INTRODUCTION TO LANGUAGE AND LINGUISTICS, 12TH EDITION BY DEPARTMENT OF LINGUISTICS PDF

Language Files: Materials for an Introduction to Language and Linguistics has become one of the most widely adopted, consulted, and authoritative introductory textbooks to linguistics ever written. The scope of the text makes it suitable for use in a wide range of courses, while its unique organization into student-friendly, self-contained sections allows for tremendous flexibility in course design.

The twelfth edition has been significantly revised, clarified, and updated throughout—with particular attention to the chapters on phonetics, phonology, pragmatics, and especially psycholinguistics. The restructured chapter on psycholinguistics makes use of recent research on language in the brain and includes expanded coverage of language processing disorders, introducing students to current models of speech perception and production and cutting-edge research techniques. In addition, exercises have been updated, and icons have been added to the text margins throughout the book, pointing instructors and students to useful and engaging audio files, videos, and other online resources on the accompanying Language Files website, which has also been significantly expanded.

Major Issues on Kindle

By Kane

I purchased this book to use on Kindle for PC and I regret it. There are no page numbers to correspond to the physical copy. The program doesn't recognize half the phonetic symbols used, so I had to copy and paste the related portions of the book into a word processor to read them. Some practice problems use underlining that does not appear on the digital edition.

A very useful book for undergraduates and masters students

By Amazon Customer

A very useful book for undergraduates and masters students. I like that there is a first a summary of

important concepts before the exercises/discussion questions were given. A handy resource book indeed.

Just as promised.

By Mariah

My rental is literally brand new. Almost afraid to open it because that would damage the perfectness.
