Review

"Some of Casement's observations are nothing short of brilliant." *Social Work Today*

"This book provides some moving insights into analytic technique at work. Free from jargon, it is accessible to anybody." *The Economist*

"Doctors, particularly general practitioners, are often chastised for failing to listen to or communicate properly with patients ... Patrick Casement's book could well serve as a compelling explanation of dynamic dialogue." *The Lancet*

"This is an excellent textbook. It is entertaining to read, and it conveys complex concepts in accessible and easy-to-read ways." *International Journal of Psychoanalysis*

"Casement's two books (*On Learning from the Patient* and *Further Learning from the Patient*) will become classics in their field and deserve to be so. They should be required reading for every psychotherapist in training." Anthony Storr (from the first edition)

About the Author
