Amazon.com Review

"All children, except one, grow up." Thus begins a great classic of children's literature that we all remember as magical. What we tend to forget, because the tale of Peter Pan and Neverland has been so relentlessly boiled down, hashed up, and coated in saccharine, is that J.M. Barrie's original version is also witty, sophisticated, and delightfully odd. The Darling children, Wendy, John, and Michael, live a very proper middle-class life in Edwardian London, but they also happen to have a Newfoundland for a nurse. The text is full of such throwaway gems as "Mrs. Darling first heard of Peter Pan when she was tidying up her children's minds," and is peppered with deliberately obscure vocabulary including "embonpoint," "quietus," and "pluperfect." Lest we forget, it was written in 1904, a relatively innocent age in which a plot about abducted children must have seemed more safely fanciful. Also, perhaps, it was an age that expected more of its children's books, for Peter Pan has a suppleness, lightness, and intelligence that are "literary" in the best sense. In a typical exchange with the dastardly Captain Hook, Peter Pan describes himself as "youth... joy... a little bird that has broken out of the egg," and the author interjects: "This, of course, was nonsense; but it was proof to the unhappy Hook that Peter did not know in the least who or what he was, which is the very pinnacle of good form." A book for adult readers-aloud to revel in--and it just might teach young listeners to fly. (Ages 5 and older) --Richard Farr

From School Library Journal

Gr 3-6—The story of Peter Pan, that little boy who just wouldn't grow up, has been a childhood staple for years. Though countless film and musical adaptations ensure that most children will be familiar with the basic story of how Peter arrives on the scene, taking Wendy, John, and Michael Darling to Neverland for adventures with mermaids, pirates, and Indians, the original story is in many ways darker and more poignant (as well as more whimsical) than many will remember. Barrie is also droll, and many adults will appreciate his piquant jabs at Edwardian society and mores, which will fly over the heads of most children. This particular edition of the classic, originally published in 1980 and now in print again, features mesmerizing, nostalgia-inducing illustrations from Caldecott winner Hyman. Black-and-white images rendered in India ink and full-color acrylic paintings depict well-known scenes—the Darling children taking flight, Peter in combat with the villainous Captain Hook—mixing in just a hint of menace (the pirates are certainly fearsome, and even Peter looks quite feral, more fairy than boy). This enchanting version soars.

From Kirkus Reviews

An unusually large, attractive, unabridged edition with dozens of full-page illustrations and smaller vignettes. In style, Gustafson's lusty oil paintings of the pirates are akin to N. C. Wyeth's, though they have

more the flavor of compelling dramatic play than real menace. His slim, round-faced, rosy children and cozy interiors are closer to Wyeth's gifted student, Jessie Wilcox Smith, while the ethereal yet mischievous fairy folk recall Rackham. This is not to suggest that the result is merely derivative, in the manner of Michael Hague; Gustafson is a talented craftsman who skillfully melds his references to past greats to create an appropriately traditional style that has enough of a contemporary aura (especially in the characterizations) for broad popular appeal. An endpaper map of "The Neverland" and meticulous renditions of intriguing details add to the drama and fun. A perfect gift for a family that reads aloud. (Fiction. 5+) -- Copyright ©1991, Kirkus Associates, LP. All rights reserved.

Make use of the innovative innovation that human establishes now to locate the book **Peter Pan By James Matthew Barrie** easily. Yet first, we will certainly ask you, how much do you love to review a book Peter Pan By James Matthew Barrie Does it always until finish? Wherefore does that book review? Well, if you really like reading, attempt to review the Peter Pan By James Matthew Barrie as one of your reading compilation. If you only reviewed the book based on need at the time and also incomplete, you should aim to like reading Peter Pan By James Matthew Barrie initially.

If you obtain the printed book *Peter Pan By James Matthew Barrie* in on-line book shop, you could also locate the very same trouble. So, you need to relocate shop to store Peter Pan By James Matthew Barrie and also search for the available there. But, it will not occur right here. The book Peter Pan By James Matthew Barrie that we will offer right here is the soft file concept. This is what make you can conveniently locate as well as get this Peter Pan By James Matthew Barrie by reading this site. Our company offer you Peter Pan By James Matthew Barrie the very best product, constantly as well as consistently.

Never question with our deal, because we will certainly always offer what you require. As like this updated book Peter Pan By James Matthew Barrie, you could not find in the other location. But below, it's quite easy. Merely click and also download, you can possess the Peter Pan By James Matthew Barrie When simplicity will alleviate your life, why should take the challenging one? You could purchase the soft file of guide Peter Pan By James Matthew Barrie right here and be participant people. Besides this book [Peter Pan By James Matthew Barrie](#), you could also find hundreds listings of guides from lots of sources, collections, publishers, and writers in around the globe.

PETER PAN BY JAMES MATTHEW BARRIE PDF

This is a timeless classic of children's literature in an exquisite full colour edition that will be cherished by all ages. It is fully illustrated with distinctive stained edging and decorative endpapers. It is suitable for children aged 10 to 13 years old. Neverland is home to Peter Pan, a young boy who has never grown up. On one of his visits to London, Peter makes the acquaintance of young Wendy Darling, whom he invites to travel with him to Neverland and become the mother of his gang of Lost Boys. Flying through the night sky to Neverland, Wendy and her brothers John and Michael are soon caught up in marvellous adventures with the Indian Princess Tiger Lily, the loyal fairy Tinker Bell and Peter's nemesis, a sinister hook-handed pirate known as Captain Hook. Spun by J.M. Barrie from his stage play of the same name, "Peter Pan" is a timeless classic of children's literature. Illustrated with plates by F.D. Bedford, this exquisite full-colour edition features an elegant bonded-leather binding, a satin-ribbon bookmark, distinctive stained edging and decorative endpapers. It's a book that will be cherished by readers of all ages.

Excellent edition of a much-loved children's story!

By Stuart Dunn

My wife and I both grew up watching Disney films. We each have our own likes and dislikes, but one that we both enjoyed and would watch anytime is Peter Pan. When I heard that Sterling Illustrated Classics was printing Peter Pan and Wendy, I knew I had to own this book. The book begins with a foreword by David Barrie, J.M. Barrie's great-great nephew. This was a brief two pages, but was very interesting. The rights to Peter Pan were left to Great Ormond Street Hospital for Children (in perpetuity) so that the hospital might always thrive due to this work's popularity.

The story itself begins with background on the Darling family. We learn about how Mr. Darling got Mrs. Darling to marry him, the birth of the three children, and how finances were tight with that many mouths to feed. It is also where we are introduced to the notion of Peter Pan and Neverland. Chapter Two is the famous shadow scene, where the faithful dog Nana sees Peter Pan flying about and tries to catch him, but only manages to nab his shadow! The rest of the story is very familiar, as we see mermaids, Lost Boys, pirates, Captain Hook, and Tinker Bell too! The book ends with Wendy growing up and having a daughter who goes off to Neverland. She too will have a daughter, and that daughter will have a daughter, and the cycle will continue indefinitely.

This is a quality printed, hardcover book with a dust jacket. What makes it stand out from other editions of this book is the beautiful illustrations. I have never felt anyone has done a sufficient job of capturing the true child-like nature of Peter's character, but these illustrations of him are some of the best I have seen. If you are any kind of fan of Peter Pan, you need this book in your collection. I know I will treasure this copy for years to come!

sigh...

By Michal Carmon

i am a 11 year old girl and I read this wonderful book. I enjoyed it very much but only recomend it for ages 10+. I cried at the end of happiness. A very deep book for children and much more education than most children books.It was also more touching and emotional . most books, even good books are not as worth buying as this one. I hope you have found this review useful and I would very highly recommend this book.
