I own him just as much as he owns me.

LIZ

He is testing me. He must be.

Does he really think I'd stay like a dumb lamb?

If I run, I will never see him again. I don't want that.

Why do I not want that?

LEONARD

This just shows how much she's messing with my head. I let her get too close too soon.

She mesmerized me into acting like a fool.

I won't let that happen again.

But first and foremost, I won't let anything happen to her.

****This is the final part of a 3-part Dark Romance serial with themes of kidnapping, captivity & steamy BDSM scenes. Intended for audiences 18+ & not for the faint-hearted.****

This is a MUST read book and series

By Beth

I was given this book in exchange for an honest review.

This is book 3 of an AWESOME series. I was hooked from the first word to the last word, as I was in the other two books. It continues that Leonard was persuaded to leave Liz off her leash and left. She is able to escape her room/confinement and wandered around, and gets caught (on purpose) by Leonard. He does punish her and then he falls into the celebration of their one week anniversary that she came to stay with him. He "pampers" her and they are together. Leaving abruptly because he is loosing "control" of himself and breaking his own rules, there is a surprise waiting for him, and another one when Liz gets out again, but this time she proves herself to him and stays through all of it.

I get the feeling that the book ended but not with a closure for these two. I really sense there will be more about these two in the future.....at least I can hope so. This is too good of a series to put down. Page turner,

you will NOT want to put this book (or any of them) down and then you are reading the ending. WOW!!! I LOVE this book/series.

Silent Daughter: Owned

By Linda M.

ARC received in return for an honest review

I am a little ambivalent about the finale of Silent Daughter. Leonard doesn't seem interested in having Liz any other way except as his prisoner. He is obsessed with her but doesn't express any affection to her, only his lust and need to dominate, almost in a cruel way. Liz wants to be his but not like this, as a prisoner. She seems really unhappy with the way he treats her through most of this book until the kinky hot sex scene and then it seems like all is forgiven. I had a little trouble with that, but that may just be me because while I understand the domination attraction, I don't find the 'chained up, humiliated prisoner at the mercy of another person' part of it at all seductive. I also wish the epilogue had provided Leonard's point of view about how a crucial event at the end of the book modified his thinking in regards to his relationship with Liz. Having said that, I was happy with the final outcome and I do think think that as a whole, this is a great collaboration between Stella Noir and Linnea May, and definitely want to read other works by these authors.

"An amazing Dark and kinky Romance"

By Roxie's Romance Reviews

The storyline is intense,dark and kinky. The characters are awesome. This story is so well wrote that you feel like you are watching a movie.

Leonard tricked Liz into becoming his captive. Liz is of a wealthy family, but she is the black sheep of it. No one in her family understands her she is shy yet rebellious. While at her sisters engagement party she met Leonard a dark and dominate man. Only Liz did not know how dark and kinky he was. Now he has had her chained up in his home for over a week. She is his prisoner she is his submissive. This story is truly amazing as you follow along with her captivity and watch Liz fall in love with Leonard!. Then Leonard's past catches up with him and things really get intense!. You can not help but love this intense, dark and kinky D/s story!. This is a must read book!.
