Out of the Ordinary Cheeses and Frozen Treats

By Dee Long

The color, inventiveness and sheer fun of the recipes presented by Marie Laforet will have the reader rethinking buying store-bought cheese or ice creams ever again! Most of the recipes require only 5-6 ingredients, which can be obtained at natural food stores. Why settle for store-bought sorbet when you can whip up your own Tomato, Strawberry and Basil Sorbet. And those tubs of hummus in the grocery store refrigerator case pale in comparison to Hummus Cheese Dip created using cashew butter and garlic! One of our favorite frozen offerings in this volume is the Orange Blossom and Pistachio Mysteries, inspired by classic Middle Eastern pastries. This book is a treat for the eyes, as well as the stomach.
