In 1964 Lifetime Career Schools offered a course to become a doll doctor through a home study course. This is that course rewritten and updated for the modern reader. It has been expanded with some new chapters and additional material. The book has been organized so that the doll doctor can easily find what he or she is looking for and learn the skills that are needed to repair and make dolls of all kinds. The book has a wealth of information for anyone about dolls even if you do not plan on becoming a doll doctor.

My true love - fixing up and restoring dolls

By Amazon Customer

This book is exactly what I have been searching for the past five years! Amazon, you are the greatest to help me make this connection! The manual arrived in pristine condition, and it is very detailed. Easy to understand instructions and great helpful tips! Koodos to the author and to Amazon!

Disappointing

By Kindle Customer Jensine

I was a little disappointed that it had so much old fashioned information about starting your own business. I just want to know how to fix old dolls for myself and friends not be in a business. If it was a hard bound book I would have just sent it back.

Little bit of a mess but good info

By SaberDoodle

Kindle version is a bit of a mess but good info is provided. I prefer the vintage actual book and format which I purchaed after this. Vintage doll repair is an art all to itself.
