THE PRIEST, THE POLITICIAN & ME: MMF BISEXUAL MENAGE THREESOME ROMANCE BY ISABELLE ARDEN PDF

“What do you want?” Rassier’s voice was soft, close to Blackledge’s ear.

“I want... oh God... I want your mouth....”

Charlotte Sinclair is a political reporter with a job to do, interviewing two of the most eminent men of Canada’s political establishment: James Blackledge MP, and Archbishop George Rassier.

She can’t help but feel two gorgeous, sexy men like them are wasted in their professions... or stop herself from imagining what they could do to her if they weren’t so completely off-limits.

Little does she know that the two men are hardly off-limits to each other - at least until she catches them in a tryst backstage.

What can Charlotte do? As a reporter, she knows she should tell the world... but the other option of just joining in is so much more tempting.

The Priest, the Politician & Me is a short MMF bisexual ménage standalone. It contains sizzling hot erotic scenes of MM and MFM sexuality and is intended for 18+ audiences.

The descriptions are lush and deliciously physical, you can almost feel their touch on your skin...

By J.R.

This story couldn’t help but be hot (I mean, it’s right there in the blurb!), but it isn’t JUST hot. The reporter who tells the story is not, despite her beauty, a person who can resist looking for answers and deeper motivations. This makes the tension almost unbearable, and then you get to the good part but it turns out the tension isn’t over, either, and it just keeps going and going and going till it seems like you have to look away

from the book, except you CAN'T.

The descriptions are lush and deliciously physical, you can almost feel their touch on your skin, their breath stirring your hair... Points for a cute ending to all the hotness, too, I wasn't expecting it.

HOT despite the taboo

By Jennifer Schaber

HOT, but difficult for me to get behind due to the type of taboo. The characters were developed, but the priest kind of EEKED me out - despite his appearance and experience. I had a difficult time not seeing the collar and the devil spurring him on even though he deserves love too. The two together were quite sexy - add in the third and the hotness level burned down the house. This was written well with developed characters and the story flowed seamlessly. I would read more from Isabelle, but I will personally steer clear of priests in books for my reading sanity.
