eye opening

By Cheryl Harrington

I was going through a terrible time in my life when a friend handed this book to me - I read it over and over - it was my source for reassurance everytime I questioned my decisions. I have given this book to several people that I thought needed the same help - it was amazing how such small thoughts could have such a dramatic effect on someone

You're Born an Original

By wes

I was puzzled and yet intrigued by the title when I picked up the book. However, I enjoy it very much. I plan to read it multiple times. This book is like a short version of Joel Osteen's "Everyday is a Friday." I highly recommend this book for anyone who is doubt about his/her identity and who may go through a difficult period. GOD is our redeemer and vindicator. May GOD's presence with Holy Spirit falls upon you while you are reading this book! You are no quitter. May GOD anoints you as you walk with Him in all days of your life!!! It is no co-incidence that you are reading this book. GOD is calling you. GOD Blessed You!!!
